WINNSBORO, S. C.

Wednesday, December 9, : : 1891

ATTORNEY GENERAL POPE has been elected as one of the Associate Justices them have told us why there is such tutional convention, or rather calling of the Supreme Court.

temperance lectures in our public by the direct vote of the people, action will have a tendency to defeat schools.

JUDGE HUDSON was our choice for Associate Justice, and we much preferred Wallace to Pope. Still these are record breaking years, and "it is all right, so long as 'tis right."

State officials using "free passes." mend to the electors to vote at the grossing department and seems quite

REPRESENTATIVE BRICE voted for Judge Wallace for Associate Justice, Representative Buchanan did not .etc. Senator Woodward voted for Judge

of the famous Wallace House, the first honest Legislature after reconstruction, have both been laid on the same sacri-

A BILL was proposed by Representative Traylor looking to the reduction of the salaries of the Auditor, Treasu. The House tonight, after a debate that rer and Sheriff. County Auditor Crosby backed by a petition has succeeded in nipping in the bud the bill so far as the office of Auditor is concerned and it is 'dead" so far as the that no change will be made in the fortable majority seems to ensure the passed to in one is rule effect in Sheriff's salary. Sheriff's salary.

THE bill to abolish the office of Stenographer was very properly killed with little regret. This officer of the court is a very necessary one. No long hand writer can accurately submit to writing the testimour of witnesses and charges of the Judges. Frequently important rights will turn upon the very words used by a Judge in his charge to the jury and upon the words used by a witness and the those who disagree with his views, plexion. Sold at McMaste. Brice & Ketch Stenographer is almost a necessity. Moreover the business of the court can be facilitated with more speed. It would not be economy to dispense Messrs. Blease, Brennen, Kirkland and with his services.

Speakership. Crisp and Mills seem to tenight. be in the lead. Crisp is a hard fighter the year, and the subject being an enand did valiant service in fighting grossing one there was a large crowd against Tom Reed's tyranny in the last to hear the first lively debate of the Congress. He is active and energetic and is making a lively campaign. He is not exactly right on the tariff, however. Mills is one of the best mem- Scott, and some others in favor. Mr. bers in the House, and is a tariff re- Brice believed that previous attempts form man. He is a strong man and will make a good run for the Speaker-was a recognition of a bad thing. ship. We believe, however, that it making that legal that should not be would be better politics to put in a so treated. The present laws also Northern man. The South can afford give a monopoly to towns in this Northern man. The South can afford to sacrifice the Speakership. It would make the Democratic party stronger as the vote was announced, Mr. Childs in the North.

The "circulation matter" will be investigated. It could not have been think that even if they do not actually refused, and it is surprising that any succeed, they will make the matter a member should have hesitated a mo- live issue, now, and pave the way to ment to vote for the appointment of future success. It is needless to say an investigating committee. The charge State House in a state of mind. They is a very serious one, and those charged are very indignant. Some are directly should as eagerly and carnestly press interested in the sale of liquor, while for an investigation as the accusers, others oppose all sumptuary laws. It The people in the whole State will dediscuss the matter. The question is mand an investigation. The people of evidently up for the next campaign, South Carolina abhor anything that and it will not tend to make the Demosavors of fraud in the conduct of their cratic party any more united public officials. If there is fraud, it ciate Justice was quite close and should be made known. If there is quite exciting, although all was as none, the committee appointed to mild as a summer morn on the sur- IN REAR OF MCCARLEY & CO.S STURE award the public printing should be face. The administration is said to vindicated. Throw the light on it.

Tillman defined Tillmanism to mean number of members were absent. "self-government." Now he wants There were just six colored votes, and to remove everything from the people that the speech of a member who was the source of all power, as far as a little "off", lost three of these votes the source of all power, as far as possible. He now has more power than any of his predecessors. He virtually says that the people are not capable of "self-government." He says that he must appoint the Supervisor of Registration, Governor Tillman must appoint the proposed Fish Commissioner, his Excellency must Commissioner, his Excellency must ward cast the last vote, and swung appoint the Regents of the Asylum, the Senate to Wallace by a vote of 17 the Supervisor of public roads and to 16. The House overcame this, but his host of subordinates in each township, and his powers and his acts are turns were in. Mr. Brice voted for Walla e and Mr. Traylor voted fo beyond the jurisdiction of the courts of this State. The General Assembly kas already refused to give him many of these powers, and we hope it will be because and we hope it will be be be because and we hope it will be be be because and we hope it will be be be because and we hope it will be be be because and we hope it will be be be because and we hope it will be be be because and we hope it will be be be because and we hope it will be be be because and we hope it will be be because and we hope it will be be be because and we hope it be slow to grant the Executive any Major Woodward is as smiling as he more power than he has.
